Billy Ditch (opposite page) turned off a reminder of the beginning of another happy day. Shirley Sulzberger (on floor) and Donna Tobias found that popcorn added much to their homework. Esther Archer replaced an unruly hat on a dashing young man. Harry Alderman demonstrated one of the easiest ways to amuse oneself (solitaire). It was off to school for Kathleen Coder as soon as she bundled herself up warmly. Ted Hahn made a necessary adjustment in preparation for a happy evening. Below, Pat Honts found the funnies amusing; but Kay Stumme found her brother Paul's efforts at shaving even more so. In the cafeteria Elizabeth Evans, John Healey, and Kenny Sturms (right) even laughed over their daily task of doing the dishes for two or three hundred Muskies.

Marcia Wagner (upper left) gave her fingernails that professional look with a second coat. At the organ were Ella Mae Huff (left), Sherbie Phillips, and Jeanie Hakes having a little pre-devotions fun. Mary Ellen Dillon was at the receiving end of a very funny phone conversation. Dick Bunn may not look especially happy sewing on his football letter, but winning it was probably part of one of his happiest high school days. Harlan Phillips (left) and Ray Edgington enjoyed a boyish prank, raiding the cookie jar.

The first of the three photographs  
 shows a person sitting on a bench or chair,  
 looking down at something in their hands.  
 The person is wearing a dark, long-sleeved

## Second-Year Wrestlers Win Four Dual Meets

Competing for the second season, Muscatine wrestlers showed great improvement over last year's team. The team won four dual meets, defeating the teams of the University of Iowa, the University of Wisconsin, the University of Minnesota, and the University of Michigan. The team's success was due to the hard work and dedication of the wrestlers, who spent many hours in the gymnasium practicing their skills. The team's uniforms were also a factor in their success, as they were able to identify themselves as Muscatine wrestlers.

The team's success was a result of the hard work and dedication of the wrestlers, who spent many hours in the gymnasium practicing their skills. The team's uniforms were also a factor in their success, as they were able to identify themselves as Muscatine wrestlers. The sport has become very popular at M. H. S.

Musky wrestlers are shown below demonstrating some of the techniques that they will use in their second year of competition. In the upper picture, Ralph Warren, the district champion in the 155-pound class, is shown with George Smalley, and LaVaun LaRue. In the lower picture, Earl Cochran (far left) and Harold Miller looked on with interest. Only two, Warren and Cordwell, are seniors, indicating a fine amount of talent returning to the team.

## F. F. A.'s Find Time for Fun in Busy Schedule

Where there are F. F. A. boys there's fun! The many functions of the club made this fact especially true this year, for they had a meeting of all the boys of the school territory, made the trip to the national Future Farmers of America convention at Kansas City, attended the American Royal Livestock Show in Kansas City, and had their annual parent-son banquet. Their grain show and their basketball games also added much to the interest of the club.

Directing the club as officers the first semester were Richard Eichelberger, president; Billy Hol, vice-president; Duane Sywassink, vice-president; Richard Thomas, secretary; Irving Rexroth, sergeant at arms; and Bill Hoben, reporter, took over these duties as officers the second semester.

# The Neighbor's House

Our neighbor's is an oldish house  
... a wide, white house  
    set on the hill  
where shades are rarely drawn  
    . so that the lights  
    seep out  
and the dawns  
    creep in  
and shadows climb up on the pines  
and hide in the upstairs halls.

Theirs is a quiet house  
    . . over and above  
        the laughing and  
        the scuffling  
you can hear . . .  
    the crackling of the fires  
    on many hearths  
and the purring of big kettles  
on the stove . . .

Theirs is a hungry house  
where apple bowls  
    and trenchers filled  
    with nuts —  
and plates of cheese and bread  
and meat and milk  
and opened pickle jars  
are everywhere in evidence . . .

And even in the bedrooms  
... little bags of private sweets  
are hidden under the pillows  
    out of sight . . .  
in case . . . one should wake hungry  
in the night.

In homes where good food and good living are the rule, the name of H. J. Heinz Company and the flavor of Heinz 57 Varieties are well known and much admired.
